

Blackwood Primary School Site Improvement Plan

*An IB School valuing, supporting and inspiring
a community of lifelong learners*

2017/2019

Reviewed December, 2017

Internal Accountability occurs when individuals and groups willingly take on personal, professional and collective responsibility for continuous improvement and success for all students *(Hargraves and Shirley, 2009)*

Government of South Australia
Department of Education and
Children's Services

Our Focus Areas

1. Focus Area 1 - Implement our whole school agreement for **Literacy** that supports high expectations, cohesive practice and improves student achievement
2. Focus Area 2 – Develop and implement our whole school agreement for **Mathematics** that supports high expectations, cohesive practice and improves student achievement

Enhancement of Professional Practice Blackwood Primary School

Priority	Learning Outcomes	Strategies			Professional Development and Resourcing	Measurements of Success	Targets
Staff Professional Learning Learning is A shared responsibility of everyone in the school	Enhancement of Professional Practice Significant improvement in student achievement	Effective Pedagogy Teachers understand, and use, the AITSL <i>"Australian Professional Standards for teachers"</i> (APST) in their Teaching and Learning Teachers are familiar with , and incorporate the <i>Classroom Practice Continuum</i> in their Teaching and Learning Identifying "What is <u>Intellectual Stretch</u> " and incorporating IS into the Teaching and Learning programme <i>Formative Assessment</i> and <i>Growth Mindset</i> philosophies and practices to be a continued focus in our teaching and learning. Teachers use achievement data to track individual student progress and provide differentiated targeted learning. Next steps in learning are identified and communicated with students. Assessment and reporting practices and moderation of learning tasks are consistent across the school.	Effective Collaboration All staff understand what <i>effective collaboration</i> looks like and participate effectively when collaborating with others All Teachers and Leaders are engaged with the <i>Classroom Practice Continuum</i> and "Classroom Professional Collaboration" All teachers participate effectively in Professional Learning Communities Teachers plan the teaching and learning together to ensure consistency of approach and understanding. Teachers collaborate together on the moderation of student work on a regular basis.	Effective Leadership Foster commitment to the moral imperative of change; Build a "culture of yes" inviting change. Encourage a positive culture of taking risk and developing a Growth Mindset Make new practices visible and transparent Highly Accomplished and Lead teachers lead the continued focus on Literacy and Numeracy. And Formative Assessment and Growth Mindset. Individual teachers and Pedagogical Leadership team meet for planning T1 and PDP reflection meeting beginning term 3 and 4. Provide and receive coaching, mentoring and professional learning	Professional Development and Resourcing <i>"Australian Professional Standards for teachers"</i> <i>"Classroom Practice Continuum"</i> Standards 3, 4, 5 All classroom teachers are released to plan collaboratively Staff meetings on Investigating: <i>"What does effective Pedagogy, collaboration and leadership look like?"</i> <i>TIEL</i> is used for enhancement of Professional Practice. All new staff trained in the philosophies and practises of <i>Formative Assessment</i> and <i>Growth Mindset</i> Partnership Growth Mindset Student Free day TBA All Professional Learning linked to the Teacher' PDP and SIP PLCs have on enhancement of professional practice Professional Development on Assessment and Moderation Staff meeting and Student Free days allocated to the training and development	Measurements of Success Through, classroom walk throughs, Classroom Professional Collaborations , professional discussions, surveys, task analysis, data analysis. All Teachers are using the <i>Classroom Practice Continuum</i> and <i>TfEL</i> to support their teaching and learning and to guide their Professional Development. End of Term 2 2017 onwards. Student data used to inform the teaching and learning All teachers validate the learning from each other through "Classroom Professional Collaborations" and Learning Walks New teachers are incorporating Formative Assessment and Growth Mindset in the teaching and learning. Performance Development Plan meetings reflect the professional needs and learning of staff and focus on enhancing Professional Practice. Moderation of student work is consistent across the school. Teachers collaborate effectively for planning and reflection of the teaching and learning	Targets These targets have different time frames and will be reviewed and modified at the end of each year. 2018 target All teachers have participated in at least two "Classroom Professional Collaborations" learning walks 2018 target All PDPs have been reviewed twice in the year.
		Focus Area 1 Implement our whole school agreement for Literacy with a focus on HIGH EXPECTATIONS, deep learning, cohesive practice and improves student outcomes.
